# LUXURY PROTECTION

## *Light and antimicrobial loft*

Suprelle® Ultra is made from soft, lightweight, 6-D hollow and siliconized fibers. Uniform insulation for comforters and excellent shape retention in pillows is the ultra benefit to this healthy fiberfill.

Tested with *Klebsiella pneumoniae* and *Staphylococcus aureus*. (bacteria strains) at a third party testing facility:  
ISEGA Forschungs - und Untersuchungs - Gesellschaft mbH Aschaffenburg,  
August 21, 2018

## results that matter

Tested in an independent lab, Suprelle® Ultra is highly effective at controlling the growth of common fungi and microbes. Suprelle Ultra has proven antibacterial performance after 10 home launderings. Ask us for our official lab test results.

*Oeko-tex certified antimicrobial properties make for an ultra fill for the lifetime of your pillow.*

## healthy sleep environment

We invest our time in quality of sleep and safety. Our non-leaching safe chemistry has been EPA approved for more than 20 years and we take pride in our Oeko-tex certification.
